BRIEF DESCRIPTION OF BUSINESS

We provide engineering, designing, fabrication, installation, commissioning and decommissioning greenfield and brownfield projects across various industries which include, Breweries (Craft and Microbreweries), Distilleries, Food and Beverages, Malt Spirit and Blending, Extraction Plants, FMCG (Fast Moving Consumer Goods) and Pharmaceuticals. We undertake projects with full responsibility from design to handover, build key equipment in-house, use standardized modules and appropriate designs, and deploy project teams across client sites, which helps us deliver on schedule, cut rework, and control costs. Over the last 17 years, we have built systems compliant with ISO 9001:2015 to design, develop, fabricate and expand various process plants which are customized to customer specifications. Our scope covers entire spectrum i.e., engineering, fabrication, installation, commissioning and decommissioning across various industries, which include, Breweries (Craft and Microbreweries), Distilleries, Food and Beverages, Malt Spirit and Blending, Extraction Plants, FMCG (Fast Moving Consumer Goods) and Pharmaceuticals. We have two manufacturing facilities located at Bengaluru and Jaipur with an aggregate built up area of 32,214.75 square feet. We strengthen delivery reliability by dual-sourcing critical items and building local vendor bases around both hubs, aligning procurement with engineering and site schedules to support staged and split dispatches. RISK TO INVESTORS:

The top 10 internal risk factors are given below:

- We derive a significant portion of our revenue from limited number of customers. The loss of any customer, the deterioration of their financial condition or prospects, or a reduction in their demand for our products could adversely affect our business, results of operations, financial condition and cash flows.
- We depend on a limited number of suppliers for our raw materials, and any disruption in supply or adverse change in supply terms it may materially affect our business.
- Trade Receivables form a substantial part of our current assets. Failure to manage our trade receivables could have an adverse effect on our net sales, profitability, cash flow and liquidity. Further, we are also exposed to the risk of delays or non-payment by our clients and other counterparties, which may also result in cash flow mismatches.
- We are unable to locate the Consent to Establish for our manufacturing unit at Jaipur and any inability to comply with applicable environmental laws may expose us to regulatory action and could adversely affect our business, financial condition and results of operations.
- Our revenues are significantly dependent on certain geographical regions, and any adverse developments in these regions could adversely impact our business, financial condition and results of operations.
- Our revenues have been on a decreasing trend for the last three Financial Years. This is due to a strategic shift towards higher-margin products by our Company. If we are unable to secure sufficient high-margin orders or if demand for such products decreases, our revenues may continue to be adversely impacted which may adversely affect our financial performance.
- Operating primarily in Beer and Malt Spirit Industry and dependence on a limited number of end-user industries and on customers' capital expenditure decisions may reduce demand for our products and may adversely affect our revenues, cash flows and financial condition.
- There have been instances of delays in filings of certain forms which were required to be filed as per the reporting requirements as well as discrepancies in the forms submitted to the Registrar of Companies (ROC) in accordance with the Companies Act, 2013. Further, certain transfer forms of the Company are not traceable and we have relied on alternative documentation to reconstruct the details of such transfers.
- Our order book may not be a reliable indicator of our future revenues or profitability. Any shortfall in future orders or order cancellation/modification could have a material adverse impact on our business, financial condition, results of operations and cash flows.
- There have been certain instances of delays in payment of certain statutory dues and repayment of instalments of loans availed by us. Any further delays in payment of statutory dues may attract financial penalties from the respective government authorities and in turn may have a material adverse impact on our financial condition and cash flows.
