INDEPENDENT AUDITORS' REPORT

To the Members of Spectraa Technology Solutions Limited

Report on the Audit of the standalone financial statements

Opinion

We have audited the standalone financial statements of Spectraa Technology Solutions Limited ("the Company"), which comprise the standalone balance sheet as at March 31, 2026, and the standalone Statement of Profit and Loss, and standalone statement of cash flows for the year then ended, and Notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its financial performance, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of The Companies Act, 2013. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of Key Audit Matters as per SA 701, Key Audit Matters are not applicable to the Company as it is unlisted in India.

Information Other than the standalone financial statements and Auditors' Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

BHOJAK LUNAWAT & COMPANY

Chartered Accountants

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the standalone financial statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in "Annexure A" a detailed description of Auditors' responsibilities for Audit of the standalone financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

BHOJAK LUNAWAT & COMPANY

Auditors' Responsibilities for the Audit of the standalone financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has internal financial controls with reference to Standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to Standalone financial statements of **Spectraa Technology Solutions Limited ("the Company")** as of March 31, 2026 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to Standalone financial statements and such internal financial controls were operating effectively as at 31st March 2026, based on the internal financial controls with reference to Standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to Standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to Standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone financial statements included obtaining an understanding of internal financial controls with reference to Standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Standalone financial statements.

BHOJAK LUNAWAT & COMPANY

Meaning of Internal Financial Controls With Reference to Standalone financial statements

A Company's internal financial control with reference to Standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Standalone financial statements

Because of the inherent limitations of internal financial controls with reference to Standalone financial statements, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone financial statements to future periods are subject to the risk that the internal financial control with reference to Standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SPECTRAA TECHNOLOGY SOLUTIONS LIMITED

Note 1 - SIGNIFICANT ACCOUNTING POLICIES

Corporate Information/Background

SPECTRAA TECHNOLOGY SOLUTIONS LIMITED (CIN: U74999KA2009PLC048905) (the "Company") was incorporated with the Registrar of Companies, Bengaluru, Karnataka. The Company is engaged in the business of project and process engineering. The company caters to both domestic and international markets. Further, the company also provides design and engineering to Breweries & Distilleries, Spirit Bottling Plant, Microbreweries, Craft Breweries, Food & Beverage processing plants, Solvent based extraction Plants, Chemical processing plants.

Note 1: Summary of significant accounting policies

a. Basis of Preparation

The Standalone Financial Statements have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) under the historical cost convention on an accrual basis in compliance with all material aspects of the Accounting Standards (AS) notified under section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules 2014. The accounting policies adopted in the preparation of Standalone Financial Statements have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy until now (hitherto) in use with those of previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of business and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

b. Use of estimates

The preparation of Standalone Financial Statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c. Property, Plant and Equipment

Tangible assets

Tangible assets, capital work in progress are stated at historical cost, less accumulated depreciation, revaluation and impairment losses, if any. Cost comprises the purchase price, borrowing costs, if capitalization criteria are met and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive Input tax credit (IGST/CGST and SGST) or other tax credit available to the Company.

When parts of an item of tangible assets have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent expenditure relating to tangible assets is capitalized only if such expenditure results in an increase in the future benefits from such assets beyond its previously assessed standard of performance.

An item of Property, Plant and Equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on derecognition is recognized in the Statement of Profit and Loss.

SPECTRAA TECHNOLOGY SOLUTIONS LIMITED

Note 1 - SIGNIFICANT ACCOUNTING POLICIES

Intangible assets

An intangible asset is recognized when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment losses, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during development / acquisition and exclusive of Input tax credit (IGST/CGST and SGST) or other tax credit available to the Company.

Subsequent expenditure relating to intangible assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

d. Depreciation on property, plant and equipment

Based on management's evaluation, useful life prescribed in Schedule II of the Companies Act, 2013 represent actual useful life of property, plant and equipment.

The depreciation charge for each year is recognized in the Statement of Profit and Loss, unless it is included in the carrying amount of any other asset.

The Company has adopted Schedule II to the Companies Act, 2013 which requires identification and determination of separate useful life for each major component of the property, plant and equipment, if they have useful life that is materially different from that of the remaining asset. (Component Accounting).

Leasehold improvements are depreciated over their estimated useful life, or the remaining period of lease from the date of capitalization, whichever is shorter.

Depreciation on addition to tangible assets is provided on pro-rata basis from the date the assets are ready for intended use. Depreciation on sale/discard from tangible assets is provided for up to the date of sale, deduction or discard of tangible assets as the case may be.

The useful life, residual value and the depreciation method are reviewed at least at each year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

e. Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets' net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation/amortization is provided on the revised carrying amount of the asset over its remaining useful life.

f. Borrowing Costs

Borrowing costs include interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

SPECTRAA TECHNOLOGY SOLUTIONS LIMITED

Note 1 - SIGNIFICANT ACCOUNTING POLICIES

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial period of time to get ready for its intended use or sale are capitalized until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized as expenditure in the period in which they are incurred.

g. Foreign currency translation

Initial recognition:

Foreign currency transactions are recorded in the reporting currency by applying the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent recognition:

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when such values were determined.

Exchange differences:

Exchange differences arising on the settlement of monetary items or on reporting the Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous Standalone Financial Statements, are recognized as income or as expenses in the year in which they occur.

h. Revenue recognition

Revenue is recognized to the extent, that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sale of goods

Revenue from sale of goods is recognized when the significant risks and rewards of ownership of the goods are transferred to the buyer and are recorded net of trade discounts, rebates, Sales Tax, Value Added Tax, Goods and Service Tax and gross of Excise Duty.

Revenue from services

Revenue from services is recognized pro-rata over the period of the contract as and when services are rendered and the collectability is reasonably assured. The revenue is recognized net of Goods and service tax.

Interest Income

Interest Income is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate.

Dividend Income

Dividend is recognized when the Company's right to receive dividend is established.

i. Retirement and other employee benefits

Defined contribution plan

Provident Fund: Contribution towards provident fund is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

Employee's State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the statement of profit and loss.

SPECTRAA TECHNOLOGY SOLUTIONS LIMITED

Note 1 - SIGNIFICANT ACCOUNTING POLICIES

Defined Benefit Plan- Gratuity

The Company provides for retirement benefits in the form of Gratuity. Benefits payable to eligible employees of the company with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payments to vested employees on retirement, death while in service or on termination of employment an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of service. The present value of such obligation is determined by the projected unit credit method and adjusted for past service cost and fair value of plan assets as at the balance sheet date through which the obligations are to be settled. The resultant actuarial gain or loss on change in present value of the defined benefit obligation or change in return of the plan assets is recognized as an income or expense in the Statement of Profit and Loss.

j. Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

k. Income taxes

Tax expense for the period comprises of current tax and deferred tax.

Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the Income-tax Act, 1961.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts, and there is an intention to settle the asset and the liability on a net basis.

The deferred tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted as of the reporting date.

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and are written-down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

At each reporting date, the Company reassesses the unrecognized deferred tax assets, if any.

l. Leases

As a Lessee:

Finance leases, which effectively transfers to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the Statement of Profit and Loss. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

SPECTRAA TECHNOLOGY SOLUTIONS LIMITED

Note 1 - SIGNIFICANT ACCOUNTING POLICIES

A leased asset is depreciated on a straight-line basis over the useful life of the asset assessed by the management (or the useful life envisaged in Schedule II to the Companies Act, 2013, whichever is lower). However, if there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset (the lease term or the useful life envisaged in Schedule II to the Companies Act, 2013).

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

m. Contingent Liability, Provisions and Contingent Asset

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

The Company records a provision for decommissioning, restoration and similar liabilities that are recognized as cost of property, plant and equipment. Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognized as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognized in the statement of profit and loss as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made.

Contingent assets are neither recorded nor disclosed in the Standalone Financial Statements.

n. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

The weighted average numbers of equity shares are adjusted for events such as bonus issue, bonus element in the rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

o. Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Further, inter-segment revenue has been accounted for based on the transaction price agreed to between segments which is primarily market based.

SPECTRAA TECHNOLOGY SOLUTIONS LIMITED

Note 1 - SIGNIFICANT ACCOUNTING POLICIES

Unallocated items include general corporate income and expense items, which are not allocated to any business segment.

p. Investments

Non-Current/Long-term Investments are stated at cost. Provision is made for diminution in the value of the investments, if, in the opinion of the management, the same is considered to be other than temporary in nature. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

Current investments are carried at lower of cost and fair value determined on an individual basis. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

q. Inventory:

Inventories are valued at lower of cost and net realizable value. Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost includes all taxes and duties, but excludes duties and taxes that are subsequently recoverable from tax authorities.

Cost of inventories other than for manufactured finished goods and Work-in-progress is determined on the basis of First-in-first-out basis.

Cost of Manufactured finished goods and Work-in-Progress includes material cost and also includes an appropriate portion of allocable overheads.

r. Cash Flows

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, financing and investing activities of the Group are segregated. Cash Flows in foreign currencies are accounted at average monthly exchange rates that approximately equal the actual rates of exchange prevailing at the dates of the transactions.
